- **Beer Name:** Flip Flopped White Socked Strong Hopped
- **Beer Style:** White IPA
- **ABV:** 5.5%

Description
Flip Flopped White Socked is a marriage between a Belgian White beer with an IPA, brewed with pilsner and wheat malts and strongly hopped with Centennial, Cascade, Citra, and Equinox. To keep things interesting, we threw in orange peel, coriander, and juniper berries for a beautiful fruity and spicy touch. It’s a refreshing wheat beer packed with citrus, balanced by a bold hoppy bite.

Tasting Notes
Expect a refreshing explosion of citrus and tropical fruit flavors, backed by the characteristic haziness of a wheat beer. The finish is crisp and bitter, thanks to the heavy hopping, while the juniper and coriander add a sophisticated spicy undertone.

Food Pairing
This versatile hybrid pairs excellently with white fish ceviche or spicy grilled prawns, Indian curries or aromatic falafel orFennel and orange salads.
