

B&T Rotex-IIA™ rifle suppressor cal. .338 LM

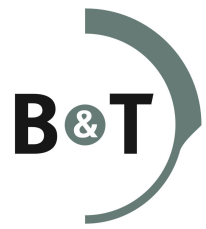

B&T Rotex-IIA™ rifle suppressor cal. .338 LM

For the very popular sniper caliber .338 a special version of the B&T Rotex-IIA is available. Despite his small dimensions the suppressor is very effective. It offers outstanding sound reduction and maximum suppression of the muzzle flash. The Rotex-IIA is mounted directly on the B&T .338 compensator. Due to its Quick Detach (QD) system it can be mounted/dismounted without any tools in a matter of seconds.
