

B&T QD-CQB Compact SMG/PDW suppressor, cal. 9x19mm

B&T QD-CQB Compact SMG/PDW suppressor, cal. 9x19mm

Roughly half the length of the standard QD suppressor, the CQB Compact is a great choice when the system gun/suppressor must be as compact as possible, for example when using it out of a car. Thanks to its 3-lug lock it can be mounted/dismounted on all weapons with 3-lug lock on the barrel (MP5, MP5K, APC9, P26, KH9) in a matter of seconds.
