

## B&T semi-automatic carbine GHM9 Compact G, Cal. 9x19mm

### B&T semi-automatic carbine GHM9 Compact G, Cal. 9x19mm

The GHM9 Compact G is a sporty 9x19mm carbine with an integrated shoulder stock. It is a perfect and inexpensive semi-automatic carbine for dynamic shooting as well as just for plinking. The special feature of the G version is the fact, that the gun is designed for Glock magazines and can accommodate all double-column 9 mm magazines. Besides that the weapon is, as the name already implies, due to its 110 mm short barrel, very compact.
