

B&T Rotex-X™ Compact rifle suppressor, cal. 7.62 mm / .308

B&T Rotex-X™ Compact rifle suppressor, cal. 7.62 mm / .308

Compatible with the standard NATO flash hider, the Rotex-X is the optimal solution when a compact suppressor, mount- and detachable within seconds with a high suppression rate is needed. Besides that it very effectively suppresses the muzzle flash.
