Occasional inaccuracies can occur, especially when checking older vehicles. Underground repair shops may illegally disguise vehicle defects or damages, not recording their existence anywhere. Sometimes, even vehicle VIN plates may be replaced. We have a variety of methods to detect even such crimes, but it's impossible to provide a 100% guarantee.

Natural disaster exposure

We checked if the vehicle was located in an area hit by a natural disaster at the time it happened.

Good news

This vehicle's location was not recorded in the area of a natural disaster.

Market price insights

Price trend forecast

This vehicle is expected to lose -49% of its market price over the next 7 years.

Price drop & buying window

The largest drop in market price is expected around 2029, when the vehicle reaches 8 years of age. Buying around this time may offer better value.

Optimal selling timing

Selling before the largest price drop – expected around 2028 or 7 years of age – may help retain more value.

Note: Forecasts are based on current market trends and historical data. Actual resale value may change due to market shifts, condition, location, or other factors.

Specs
