

NETWORKING SESSION via

In order to jump right into our networking session via wonder.me we encourage you to create your wonder profile **before the online event begins**. You do not need to download an app!
Simply click on the [link](#) and enter your name and a photo!

During the networking session:

- Make sure you allow access to your camera and microphone.
- To zoom in/out of the various areas use the +/- icon on the left side of your screen. Avoid using your touchpad and/or mouse.
- To prevent audio feedback close all other communication apps while networking.
- Up to 15 people can participate in a Wonder Conversation Circle. Simply move your avatar close to another avatar and a Circle will be automatically created. You can jump in and out of the circle at any given moment.
- If 15 people already in a circle just wait till someone jumps out!
- Via the "chat bubble" you can easily message other participants.

WE LOOK FORWARD TO MEETING YOU!
