CHECKLIST WHEN MOVING

When you are about to move out of the apartment, you must be aware that a new tenant will move into the apartment after you. Therefore, you are obliged to vacate the apartment in the same condition as received when you moved in.

You can prepare to move out of yourself by making the points below.

If the apartment requires refurbishment, repair, tidying up, or cleaning, the A Place To team will do it and set off the expense of this against your deposit.

Once our team has reviewed the apartment, you will receive your deposit.

- All surfaces - woodwork, doors, frames, foot panels, shelving - washed/wiped**
- Cabinets are cleaned inside, outside, and on top**
- Furniture are vacuumed and wiped**
- The floor is vacuumed and washed**
- Vacuumed and cleaned under the bed, wooden bed-boards are lifted and vacuumed below**
- Cleaning of windows and terrace doors out- and inside and washed frames and seams**
- Cleaning of the refrigerator, hobs, and power sockets**
- Cleaning/descaling the washbasin, toilet bowl, exhaust ducts and tiles on walls and floors**
- Cleaning of the water trap under the washbasin and drain in the shower**
