BRIBERY ACT

Introduction

This course looks at the issue of bribery, the main offences that may be committed and the key terminology.

Course Overview

Users will gain an understanding of the relevant legal principles and will help them recognise and avoid situations likely to lead to prosecution under the UK Bribery Act.

At the end of the course, trainees will be able to:

» Define bribery

» Identify the main offences that may be committed

» Recognise the key provisions of the UK Bribery Act and related legislation

» Identify who is a foreign public official and the offences that might arise

» Take appropriate action in different situations to ensure transparency and integrity

» State the likely penalties for breaches of anti-bribery law.

Course chapters

1. Defining bribery

Find out what Bribery actually is, what are the main offences of bribery and gain an understanding into key terminology.

2. Meeting legal requirements

This section will cover The UK Bribery Act and other related legislation as well as the bribery of foreign public officials.

3. Preventing bribery

An overview of anti-bribery procedures, enforcement and penalties and defences for certain bribery offences.

Who will it benefit?

Your sales, procurement and senior management staff will benefit from this course by gaining an understanding of what is appropriate and not appropriate in a business negotiation process.
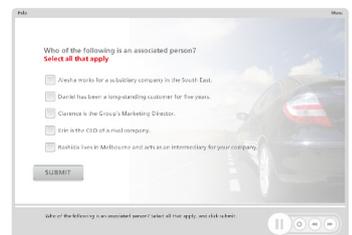

How it works?

Bribery Act is delivered online as an interactive course to each trainee on their computers, or portable device at any internet enabled location. The interactive course is engaging, informative and exciting to use. Using up-to-date, modern graphical images, users will be faced with a selection of interactive elements and mini quizzes to test their knowledge.

Users will receive informative advice and guidance and will be tested on their understanding of the subject at the end of the course by completing the compulsory self-test.

This course also features a risk checklist which asks the user a series of questions relating to their current working environment.

Course Format: Interactive
Running Time: 25-30 minutes

Technical Information

Internet Access:
Users will need a computer or apple device with a web browser and an internet connection to access Safety Media e-Learning Solutions.
Minimum Recommended Bandwidth: 2Mbs

Software:
One of the following web-browsers:

- Google Chrome

- Safari (Versions as maintained and supported by the manufacturer)

- Internet Explorer (Versions as maintained and supported by the manufacturer)

Adobe Reader or Reader DC (for viewing of PDF documents downloadable from the solution where applicable)

Plug-ins

- Flash player: Version as recommended by Adobe

Settings

- Enable JavaScript

- Allow cookies

Hardware:

Processor - 600MHz
Minimum Hard Disk Space Required - 1GB
RAM - OS Dependent

Audio
The courses contain audio, system requirements for running the courses are browser dependent.
Where no enabled audio device is detected and the browser defines that this is required the user will be informed via an error message window upon launching the course.
