

DRIVING SAFETY (INTERNATIONAL)

Introduction

Many people don't take any further driving courses once their test has been passed and many employees are now expected to drive as part of their job. This driving safety course follows a journey between two colleagues on a business trip highlighting the errors made along the way and the consequences of careless driving.

Course Overview

At the end of the course, trainees will be able to:

- Recognise how time pressure and work schedule can affect driving
- Understand which factors can affect the journey, such as speed and distractions
- Be aware of vehicle security and vehicle condition
- Develop an insight into the possible hazards that should be avoided whilst driving; stress, mobile phones, medical conditions, motorcycles and cyclists
- Recognise which factors to look out for whilst on a journey, such as, keeping your distance, bad weather, vehicle dynamics and skidding.

Course chapters

- | | |
|-----------------|--------------------|
| 1. The pick up | 6. Drive 3 |
| 2. Drive 1 | 7. The Destination |
| 3. Changeover 1 | 8. The Crash |
| 4. Drive 2 | 9. The Court |
| 5. Changeover 2 | 10. The Conclusion |

Who will it benefit?

This course is ideal for any workers who are required to drive as part of their work or during their working day.

How it works?

Driving Safety Europe is delivered online as an interactive course to each trainee on their computers, or portable device at any internet enabled location. The interactive course is engaging, informative and exciting to use. Using up-to-date, modern graphical images, users will be faced with a selection of interactive elements and mini quizzes to test their knowledge.

Users will receive informative advice and guidance and will be tested on their understanding of the subject at the end of the course by completing the compulsory self-test.

This course also features a risk checklist which asks the user a series of questions relating to their current working environment.

Course Format: Interactive
Running Time: 30-35 minutes

Technical Information

Internet Access: Users will need a computer or apple device with a web browser and an internet connection to access Safety Media e-Learning Solutions.

Minimum Recommended Bandwidth: 2Mbps

Software:

One of the following web-browsers:

Windows: Internet Explorer
» Latest versions as maintained and supported by the manufacturer
» Google Chrome

OS X: » Latest versions as maintained and supported by the manufacturer
» Google Chrome

iOS: » Latest versions as maintained and supported by the manufacturer
» Google Chrome

Android: » Latest versions as maintained and supported by the manufacturer
» Google Chrome

Adobe Reader or Reader DC (for viewing of PDF documents downloadable from the solution where applicable)

Plug-ins
» Flash player: Version as recommended by Adobe
Settings
» Enable JavaScript
» Allow cookies

Hardware

Processor: 600MHz
Minimum Hard Disk Space Required: 1GB
RAM: OS Dependent

Audio

The courses contain audio, system requirements for running the courses are browser dependent. Where no enabled audio device is detected and the browser defines that this is required the user will be informed via an error message window upon launching the course.
