CONCERNS: Recommendation Eva Bakker

To whom it may concern,

I would like to ask your attention for one of our graduate students of Dutch National Ballet Academy, Eva Bakker.

Eva trained in our Preliminary Course and then in the Associate Degree Upper School of our Academy and will receive her diploma in July. She has a solid classical technique and is a very musical and coordinated dancer and someone who always stands out on stage for her joy of dance.

For our End of Year performances, Eva has danced in several ballets including my own choreography, Poulenc Suite. She is always a pleasure to work with and also someone who inspires choreographers.

During her time at School Eva was part of Dutch National Ballet's full length productions and learned and performed corps de ballet roles and showed to be a very reliable young dancer.

I truly believe Eva would be a great addition to any company and has possibility to grow further in the future if given the right chances.

Please do not hesitate to contact me at any time.

Yours Sincerely,

Ernst Meisner
