PROFILE

Hi and nice to meet you! My name is Deborah-Nicolle Ciuraru, I am 19y.o. and I am from Romania. I moved to Germany to follow my dancing dreams at the age of 12, hoping that one day I will become a professional dancer. As I am currently finishing my last year at Staatliche Ballettschule Berlin, I am sure that I have learned lots of things. Not only German, maths, history of dance and politics, but I have also learned how to be present, confident and how to always stand up for myself. So that one day I can go out in the world and make a difference in the dance world and my community.

I hope you enjoy this resume I had made about me :))
