Height – 182cm DOB 7/10/06
Dual Citizenship – Italian / British

ABOUT ME

My drive to improve will never stand still, I recognise the need for continual personal development, pushing myself to perfection, whilst appreciating there is always room for improvement as a performer and technical dancer. I have been fortunate to learn from great dancers, taking my inspiration from their success and performance. I aspire to dance professionally in a ballet company, then, in time, I would like to teach, sharing what I have learnt to a new generation of upcoming dancers.
