# MELISSA SCOGNAMIGLIO

Dancer

As a versatile dancer trained in modern, classical, and contemporary styles, I've had the privilege of performing in theaters and stadiums, gaining valuable experience along the way. My diverse background has allowed me to develop a unique style that blends various techniques, enabling me to express myself creatively.

Now, I aspire to join a professional dance company where I can further hone my skills and collaborate with other talented artists, bringing my passion for dance to new heights.
