REFERENCES

Maina Gielgud, important and recognized choreographer and ex ballet dancer says: "Laura has a lovely physique, and her love of dancing shines through every aspect of her work. It is clear that she has been making the most of her dance education, as her progress during the 2 and 1/2 years she has been in Leiria, is very striking, in terms of both technique and growing artistic maturity.

During rehearsals, she listens to everything whether, suggestions and corrections, whether directed at her or more generally I have no doubt that she will be an asset to the company she will joins".

Annarella Roura Sánchez, director of Annarella Sánchez conservatory of ballet and dance in Leiria, Portugal says: "I've had the opportunity to teach and train Laura in my Conservatório for two and a half years, and during that time, she has been a very hardworking student that has always showed interest in both theoretical and practical classes. She demonstrated to be autonomous, responsible, organised, respectful and supportive to her colleagues and actively participative in the activities proposed".
