

English National Ballet School

December 2023

To whom it may concern

Reference: Tia Helmer

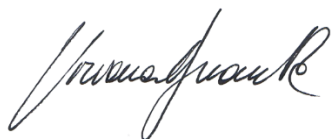

Tia Helmer is currently enrolled as a full-time student at the Senior School of English National Ballet School. Tia joined the School in September 2021 and is due to graduate in July 2024.

Tia is a talented, hardworking, and dedicated student with a professional and positive attitude. During Tia's time with the School, she has developed her classical ballet and contemporary dance techniques as well as her performance skills through various performances. Tia has shown herself to be a willing and creative collaborator in the studio when working with choreographers.

As part of the course, Tia has been training in classical ballet and contemporary, as well as receiving coaching in repertoire from a variety of highly experienced dancers and coaches. Students also have performance opportunities working with international choreographers to have new works created for them.

I have no hesitation in recommending Tia as a participant of the upcoming YAGP 2024 Job Fair in Stuttgart on 10-11 February, as I believe she can be a wonderful candidate for the participating companies.

Yours faithfully
