PERSONAL STATEMENT

My name is Anastasiia Turianska. I am a twenty-one-year-old apprentice at the Semperoper Ballett. Graduated from Ballet Academy University of Music and Performing Arts Munich. I was born to a family of musicians, where the love to art was particularly cherished. The ballet fascinated me the most and become my life passion. Over the years of study I realised how much I love what I do. Daily hard work hardens your spirit and gives you the strength to move on.
