## BODY TYPE

Birth date: 1-07-2013

Length: 1m55

Weight: 40 kg

## ABOUT ME

I'm Loeka Lagaert, a dancer at the Royal Ballet School of Antwerp.

I discovered my love for ballet at the age of 2.5 and haven't stopped dancing since.

Ballet helps me to discover myself. It reveals both my strengths and flaws. My pursuit of perfection never stops, and I am eager for each opportunity to learn and grow my skills.
