GONZÁLEZ

PROFESSIONAL DANCER

ABOUT ME

I'm Carolina, a dedicated and passionate dancer specialized in classical ballet with a professional degree from the Conservatory of Music and Dance of Gijón. I have experience performing both solo and in corps de ballet, and I feel most connected to neoclassical and musical-style dance. Over the years, I've developed a strong stage presence, creativity for choreography, and a deep love for performing. I'm eager to keep growing as an artist, explore new opportunities, and I'm open to relocating for the right project.
