Here's the story:

Sorry I **was** absent yesterday. I **had** a problem with my car. I **did** everything I could! But in the end, I just **went** to a garage. The mechanic **said** he wanted to see my car. He **saw** it immediately and laughed. It **took** me a minute to understand why. But then I **got** what was so funny. I **could** see that the problem was easy to solve. I just needed to fill up the gas tank!
