

TRBLMKR 2021

Always be yourself, unless
you can be a troublemaker.
Then always be a troublemaker.

An excellent vintage, IMO one of the best of the last 10 years (paralleled only by 2023). Beautiful, balanced ripening, the grapes had perfect fenolic maturity while retaining solid acidity. Exceptional vintage, wines with endless potential.

Grape varieties	Neuburger (+ 5% of Malvasia)
Region	Moravia
Subregion	Velkopavlovická
Village	Moravský Žižkov
Vineyard	Slovenské
Aspect	South-east
Average altitude	217 m ASL

Alcohol by volume	11.5%
Acids	6.5 g/l
Residual sugar	0.3 g/l
Bottle	0.75 l. Velaria Burgundy
Closure	Ardeaseal Organic
Serving temperature	12 - 14 °C

nestarec

This wine is my long-standing mission to find and showcase the true identity of Neuburger in our area. Once a traditional local grape, it is now getting rarer, as it can beautifully express its place, but doesn't like modern winemaking. Its understated personality gets hidden by more flamboyant varieties very quickly, so many winemakers opted out of it. Not me: I enjoy how Neuburger requires us to focus and listen, growers and drinkers alike. Dedicate enough time and space to this wine, it's worth it.
