UTILITÁ
UTILITY

MADE in ITALY

I gatti sono naturalmente attratti da alcuni tipi di erba che possono aiutarli nella pulizia dello stomaco, supportando la loro digestione e contribuendo all'espulsione del pelo ingerito. La nostra erba per gatti, è molto utile e può essere coltivata in casa in tutti i periodi dell'anno.

Cats are naturally attracted to certain types of grass that help them cleanse their stomach while supporting their digestion and contributing to the expulsion of ingested hair. Our cat grass, is very useful and can be grown indoors at all times of the year.

MADE in ITALY

Questo tappetino multistrato ha un fortissimo potere assorbente. Assorbe rapidamente i liquidi, trattenendoli efficacemente al suo interno. È lavabile sia a mano che, per 300 volte, in lavatrice fino a 40° e si asciuga rapidamente. Il fondo speciale lo rende impermeabile. Ecologico e amico dell'ambiente: a differenza dei tappetini usa e getta, la cui produzione necessita di cellulosa, acqua ed energia, questo tappetino, essendo riutilizzabile, contribuirà ad evitarne lo spreco.

This multi-layered pad has a high absorbency. Absorbs fluids quickly, while retaining them effectively. Machine and hand washable up to 40°C (over 300 times), it dries very quickly. It is provided with a special waterproof bottom. Eco-friendly: it helps to avoid a waste of cellulose, water and energy that are necessary to produce the common disposable training pads.
