General Information

Here are the details you need to know when planning for the year ahead.

Valid 1 April 2023 – 31 March 2024

- For available products and RV specifications please visit our website at www.apollocamper.com.
- Rental days are calculated per calendar day. The day of pick-up is calculated as the first day of booking and the day of return is calculated as the last day of booking.
- Rates are in Australian dollars and include 10% Goods and Services Tax.
- Rates reset after 7 days.
- Not all rates and terms apply to group bookings. Group bookings consist of 4 or more RVs travelling together and should be directed to info@apollocamper.com.
- For ease at pick-up please specify the correct number of guests (and ages of children if applicable) and include correct guest contact details and name on all bookings.

Driver Licence and Minimum Age

- For the safety of our guests a current and full motor vehicle driver licence is required to be shown at pick-up and the driver needs to be present. If the driver licence is not in English then we require an accredited English translation or an International Driver Permit. For travel in the Northern Territory, an International Driving Permit is required along with the foreign driver licence.
- We do not accept Digital Driver Licenses.
- **Apollo** and **Cheapa Campa** drivers must be over the age of 21, have held a licence for at least two years and the licence must be valid for the entire booking duration.
- **Hippie** drivers must be 18 years of age or over with a full driver licence or hold an Australian Green P licence or equivalent.
- It is important to select the correct country in which the driver licence was issued to ensure correct rates are calculated.
- UK driver licences that have had approved extensions by the UK DVLA (Driver and Vehicle Licensing Agency) can still travel for up to 11 months past the licence expiry. This extension only applies to full GB driving licence holders. It does not apply to provisional driving licence entitlement.

We understand that sometimes road trips may need to be cancelled. In case of cancellation, the below terms apply:

Original pick-up date or the earliest confirmed pick-up date is used to calculate the cancellation fee.

Booking Alterations

We understand that sometimes plans change. If this is the case, any changes made to a booking will be calculated by using the higher one of two rates, either the original Rate or the Rate current at the time of booking alteration.

The following are considered as a booking alteration:

- Change of name
- Change to pick-up or drop-off dates
- Change to pick-up or drop-off branch location
- Change of RV category
- Change of rate scheme including special rates

If the rate scheme or RV category is changed, this is considered a new booking and cancellation fees may apply to the original booking. If there are any last-minute alternations made within 14 days of pick-up, we will be happy to accommodate these depending on availability. However due to the short notice if the holiday is shortened, the number of days originally booked will be charged. If the pick-up or drop-off location is altered within 14 days of pick up, a change of location fee may also apply.

Change to the Drop-Off Location after Pick-Up

If you wish to change your drop-off location after pick-up, please get in touch with our friendly Reservations team who will be happy to help. Our team will advise if the change is possible and the applicable fee.

Extending a Road Trip

If you get swept up in the adventure of a road trip and want to extend your booking whilst on the road, first contact our friendly Reservations team who will happily advise if the extension is possible and any associated costs. To secure an extension, the extra costs (calculated on the current rate of the day), will need to be paid by credit card inclusive of all taxes and surcharges, either over the phone or at an Apollo Branch at the time of extension. Any long-term discounts in place will continue to apply to the booking.

We will always do our best to accommodate any extensions however it is subject to RV availability.

Change of RV

We understand guests' needs are different and therefore our RVs can be requested by category, not by make or model. We always do our best to accommodate requests, however should the RV booked be unavailable due to unforeseen circumstances, we will substitute the booked RV with an alternative available RV at time of pick-up, at no extra cost. Any changes made to the booked RV and agreed to by the guest do not entitle the guest to a refund.

In the event of no alternative RV being available for the guest, Apollo's liability is limited to a refund of the hire charge or in the case of mechanical failure (unless caused by the guest), the remainder of the hire period.

The Bond payment will depend on the Liability Option chosen. If the guest chooses an option where the Bond is a charge, the total Bond will be debited to the credit or debit card immediately.

If the guest chooses an option where the Bond is an imprint, the Bond is payable to Apollo by an open signed credit card imprint with an authorisation for \$100/\$250/\$500. The credit card holder must be present to sign for the Bond when they pick-up the RV and is liable for any damage to the RV.

The Bond is fully refundable provided terms are met. The RV simply needs to be returned to the booked Apollo branch location, on time, full of fuel and with the toilet cassette and grey water tank emptied. Credit card refunds (including Bond refunds) can take up to 14 business days depending on the guest's financial institution.

If there is damage to the RV on its return or any other terms of the rental contract have not been met, the Bond will be used to cover the cost up to the amount of the relevant The Bond is payable at pick-up by credit card or debit card and cannot be paid with a pre-paid credit card.

If the terms of the Rental Contract are not met and the Bond is not sufficient to cover the damage, extra costs will be charged.

If a guest is continuing on with another Apollo RV booking, the Bond can be transferred to the next booking within Australia.

Travel Insurance

For peace of mind, we strongly recommend that all guests take out the highest level of private travel insurance.

Personal Injury

The RV has Third Party insurance cover and it is likely that any other vehicle involved in an accident also has Third Party insurance. Depending on the circumstances of an accident, the guest may be entitled to claim for their personal injury against the Third Party insurance of the party responsible for the accident. The extent of such Third Party insurance varies in different States and Territories and Apollo strongly recommends that all passengers take out their own Personal Injury Travel Insurance.

Property Damage

The RV is insured for damage to it and damage to the property of a third party. The guest is responsible up to the amount of the applicable Liability and it applies for damage to third party property, or to the RV. The guest is also responsible for the cost of the daily rate for the period the RV is being repaired. There is no refund for unused portion of the rental period. The Liability applies to each claim, not RV.

The Liability is applicable regardless of who is at fault and must be paid at the time the accident is reported to Apollo by telephone on a credit card, not on return of the RV. Apollo reserves the right to charge the guest for any RV damage including Third Party property damage not reported but identified on return of the RV.

Repairs

We understand that while on holiday the RV may require small repairs. To avoid further disruptions to the road trip, if the damage was not caused by the guest, repairs up to \$100 can be completed without authorisation and will be reimbursed. If repairs over \$100 are needed, the Apollo Assist team should be informed prior to any repair being completed. Unauthorised repairs are not permitted.

All RVs are enrolled in the Australian Automobile Association and 24hr mechanical emergency roadside assistance is available if needed. Please contact Apollo Assist on 1300 798 212.

Additional Charges and Discounts

We believe fur friends make a road trip better. Pet dogs are allowed to travel in **Apollo**, **Cheapa Campa** and **Hippie** RVs with written permission from Apollo at the time of booking. There is a \$250.00 pet cleaning fee, (excluding service animals). If a vehicle is returned soiled by a pet, Apollo reserves the right to charge an extra cleaning fee. Our full policy can be viewed on the Apollo website. Service dogs are permitted in all RVs.

Infringements, Tolls and Fines

Apollo will pass on any charges the guest receives for traffic infringements, toll or parking fines during their road trip. For Toll Way Fees received, Apollo reserves the right to charge to the guest's credit or debit card upon receiving the toll way fee, and an administration fee of \$75 to cover associated administrative costs per toll way fee received.

Picking Up and Dropping Off Your RV

Adelaide	1 May 2023 to 31 August 2023 9am to 3:30pm 6 days a week (closed Sundays)	1 September 2023 to 31 April 2024 9am to 3:30pm 7 days a week

Brisbane Hobart Melbourne Perth Sydney	1 April – 31 March 2024 9am to 3:30pm 7 days a week	

Our Alice Springs, Broome and Darwin branches are closed during the wet season (1 December to 31 March). During this time roads are muddy and hard to navigate and for safety reasons, we strongly recommend that guests avoid travelling to the top end of Australia during this time.

Our staff enjoy a holiday as much as you do and all of our branches are closed on public holidays including Good Friday (7 April 2023) Christmas Day (25 December 2023), New Year's Day (1 January 2024), and Observed Australia Day (26 January 2024) and Good Friday (29 March 2024).

Getting To and From the Airport

Branches are conveniently located near major airports, making pick-up and drop-off easy for you. You can arrange transport to and from the airport via taxi or rideshare at your own cost.

RV Introduction and Show Through

At pick-up, our staff provide a thorough RV show through with all the necessary information guests need to know about the interior and exterior features of their RV. This ensures guests are comfortable and confident with their RV before they start their road trip. To ensure guests have a thorough RV show through before starting their adventure, guests need to pick up their RV from the branch by 3.30pm.

Returning the RV

The RV is a home away from home and for comfort, we recommend it's kept tidy throughout the road trip. The RVs need to be returned to the branch as they were taken, with the interior cleaned, toilet cassette (where applicable) and holding tanks emptied. The RV exterior does not require cleaning unless it's covered with excessive dirt or mud, making it difficult for our team to see its return condition. Drop and Go is available to be pre-purchased or added at pick-up to offer quick and easy return.

Pre-register Online

Guests have the ability to register online in advance at <https://preregistration.apollocamper.com/>. By completing the required pick-up information ahead of the pick-up date, guests will experience a smoother and quicker RV collection process.

Guests will also be required to watch our Apollo safe driving video prior to pick up, and can access our 'How To Videos' through the Apollo Connect App prior to pick up to learn how to use their RV.

thl Roadtrip App

The thl Roadtrip App is our custom-built app available for our guests travelling in Australia and New Zealand. The free app provides our guests with all the necessary information needed to make their Apollo journey even better.

- Watch 'RV how-to' and safety videos while on the road.
- Find Apollo branches and contact our team
- Search and book campgrounds while on the road.
- Save on attractions and experiences

General Information

Here are the details you need to know when planning for the year ahead.

- For available products and RV specifications please visit our website at www.apollocamper.com.
- Rental days are calculated per calendar day. The day of pick-up is calculated as the first day of booking and the day of return is calculated as the last day of booking.
- Rates are in Australian dollars and include 10% Goods and Services Tax.
- Rates reset after 7 days.
- Not all rates and terms apply to group bookings. Group bookings consist of 5 or more RVs travelling together and should be directed to rentals.convoys@thlonline.com.
- For ease at pick-up please specify the correct number of guests (and ages of children if applicable) and include correct guest contact details and name on all bookings.

Driver Licence and Minimum Age

A current and full motor vehicle driver licence is required to be shown at pick-up and all drivers need to be present. If the driver licence is not in English then we require an accredited English translation or an International Driver Permit. We do not accept Digital Driver licences.

Mighty Campers (Highball and Double Down), Cheapa Campa (Hitop and Endeavour) and Hippie (Hitop and Endeavour) drivers must be 18 years of age or over with a full driver licence.

For all other RV types drivers must be 21 years of age or over, have held an unrestricted licence for at least two years and the licence must be valid for the entire booking duration.

It is important to select the correct country in which the driver licence was issued to ensure correct rates are calculated. If the hirer presents a driver licence that is from a different country to which the booking was created the guest may incur additional charges.

- Change of RV category

If you get swept up in the adventure of a road trip and want to extend your booking whilst on the road, first contact our friendly Reservations crew who will happily advise if the extension is possible and any associated costs. To secure an extension, the extra costs (calculated on the current rate of the day), will need to be paid by credit card inclusive of all taxes and surcharges, either over the phone or at a **thl** Branch at the time of extension. Any long-term discounts in place will continue to apply to the booking.

We will always do our best to accommodate any extensions however it is subject to RV availability.

Change of RV

We understand guests' needs are different and therefore our RVs can be requested by category, not by make or model. We always do our best to accommodate requests, however should the RV booked be unavailable due to unforeseen circumstances, we will substitute the booked RV with an alternative available RV at time of pick-up, at no extra cost. Any changes made to the booked RV and agreed to by the guest do not entitle the guest to a refund.

All transactions are conducted in Australian dollars. Due to exchange rate fluctuations, there could be some variance in the amount refunded compared to the amount initially charged. Refunds by credit card can take up to 14 business days depending on the guest's financial institution. **thl** will not be responsible for credit or debit card fees or bank-imposed fees relating to currency conversion or foreign transactions.

- Towing and RV recovery costs from roads and areas where permission to travel had been granted by *thl*
- Single Vehicle Rollover

Please note this protection does not cover bogged RVs.

Liability Deposit

The Liability Deposit payment will depend on the Liability Option chosen and the credit card holder must be present to sign for the Liability Deposit when they pick-up the RV and is liable for any damage to the RV.

- If the guest chooses to take 'The Low Road' the total liability deposit will be debited to the credit or debit card immediately.
- For 4WD RVs If the guests chooses to take 'The Low Road' or 'The High Road' the total liability deposit will be debited to the credit or debit card immediately.
- If the guest chooses to take 'The High Road' a credit card authority will be recorded at the time of pick-up.

The liability deposit is fully refundable including the credit card administration fee, if the card used to provide the Liability Deposit is a Visa credit or debit card or MasterCard credit or debit card, provided our rental contract terms are met and the Vehicle is returned undamaged. *thl* recommends that customers use a Visa credit or debit card or MasterCard credit or debit card for the Liability Deposit, as the credit card administration fee that applies when using American Express credit card is not refundable. Credit card refunds (including liability deposit refunds) can take up to 14 business days depending on the guest's financial institution.

If there is damage to the RV on its return or any other terms of the rental contract have not been met, the liability deposit will be used to cover the cost up to the amount of the relevant Liability. If the terms of the Rental Contract are not met and the liability deposit is not sufficient to cover the damage, extra costs will be charged.

If a guest is continuing with another *thl* RV booking, the liability deposit can be transferred to the next booking within Australia.

Travel Insurance

For peace of mind, we strongly recommend that all guests take out the highest level of private travel insurance.

Personal Injury

The RV has Third Party insurance cover, and it is likely that any other vehicle involved in an accident also has Third Party insurance. Depending on the circumstances of an accident, the guest may be entitled to claim for their personal injury against the Third-Party insurance of the party responsible for the accident. The extent of such Third-Party insurance varies in different States and Territories and *thl* strongly recommends that all passengers take out their own Personal Injury travel insurance.

thl does not accept any liability for personal injuries sustained during the rental. Except where such loss or damage is caused by *thl*'s (or that of its employees) own negligence or breach of the Rental Agreement Terms and Conditions. *thl* does not accept liability for any loss or damage to any personal belongings or property of the Customer (or any person or entity related to the customer).

Property Damage

The RV is insured for damage to it and damage to the property of a third party. However, the guest is responsible up to the amount of the applicable Liability for damage to third party property, or to the RV. The guest is also responsible for the cost of the daily rate for the period the vehicle is being

repaired. There is no refund for any unused portion of the rental period. The Liability applies to each claim, not RV.

thl reserves the right to charge the guest for any RV damage, which they are responsible for, including Third Party property damage not reported but identified on return of the RV.

Repairs

We understand that while on holiday the RV may require small repairs. To avoid further disruptions to the road trip, if the damage was not caused by the guest, repairs up to \$100.00 can be completed without authorisation and will be reimbursed upon presentation of receipts. If repairs over \$100.00 are needed, the On-Road Assist team should be informed prior to any repair being completed. Unauthorised repairs are not permitted.

All RVs are covered by Australian Automobile Association and 24hr mechanical emergency roadside assistance is available if needed. Please contact On-Road Assist on 1300 850 805.

Additional Charges and Discounts

We believe fur friends can only make a road trip better. Pet dogs and cats are allowed to travel in Britz, Apollo, Cheapa Campa, Mighty Campers and Hippie vehicles. There is a \$299.00 pet fee (excluding service animals). Service dogs are permitted in all vehicles. If a vehicle is returned soiled by a pet, **thl** reserves the right to charge an extra cleaning fee. Our full policy can be viewed on the **thl** website.

thl will pass on any charges the guest receives for traffic infringements, toll, or parking fines during their road trip. Our Alice Springs, Broome and Darwin branches are closed during the wet season (1 December to 31 March). During this time roads are muddy and hard to navigate and for safety reasons, we strongly recommend that guests avoid travelling to the top end of Australia during this time.

Our staff enjoy a holiday as much as you do and all of our branches are closed on public holidays including Christmas Day (25 December 2024), New Year's Day (1 January 2025) and Observed Australia Day (27 January 2025).

Getting To and From the Airport

Branches are located near major airports, making pick-up and drop-off easy for you. You can arrange transport to and from the airport via taxi or rideshare at your own cost.

Returning the RV

The RV is a home away from home and for comfort, we recommend it's kept tidy throughout the road trip. The RV needs to be returned to the branch as was taken, with the tank full of fuel, with the interior cleaned and toilet cassette (where applicable) and holding tanks emptied. The RV exterior does not require cleaning unless it's covered with excessive dirt or mud, making it difficult for our team to see its return condition. The Cleaning Pack or Refuelling Pack are available to be pre-purchased or added on pick-up to offer quick and easy return.

Online Check-In

It is mandatory for guests to complete **thl**'s online check-in no less than 14 days prior to pick-up at: <https://sci.thlonline.com/>

By completing the required pick-up information ahead of the pick-up date, guests will experience a smoother and quicker RV collection process. Guests will also be required to watch our **thl** safe driving and 'How to Videos' through the **thl** Roadtrip App, prior to pick-up to learn how to use their RV.

thl Roadtrip App

The **thl** Roadtrip App is custom built for guests travelling in Australia and New Zealand. The free

app provides our guests with all the necessary information needed to make their *thl* journey an amazing experience.

The app is designed to:

- Enhance guests' holiday experience by providing 'how-to videos' prior to pick up, so that they become familiar with their vehicle before arriving at the branch and prepare any questions they may have.
- Educate our guests on how to use the vehicle and safe driving practices.
- Provide *thl* contact details to extend their holiday, contact roadside assistance, email any other enquiries, and find answers to FAQ's.
- Provide information on campgrounds while on the road and allow for campgrounds to be booked.
- Search and book great deals on attractions and activities.
- Find helpful travel information such as branch locations, nearby petrol stations, dumping stations, supermarkets, and ATMs.

Guests are requested to download the app from [Google Play](#) or the [App Store](#).
