This unit will be delivered by an articulated vehicle, therefore please ensure that a vehicle of this size can access your premises before ordering and advise us accordingly. You will require an appropriate size-capacity fork lift truck or Hiab unit to offload this item from the delivery vehicle. **IMPORTANT:** our standard delivery doesn't include any offloading due to insurance restrictions - if you require this service then please call for details. The unit must be positioned on a solid level surface, ideally concrete of circa 150mm in depth and 100mm bigger overall than the unit. The purpose of this is to ensure the unit does not settle unevenly when placed in position.
