Delineator Social Distance Posts

- » This Delineator post is the perfect solution for queue management & a wide variety of applications
- » Ideal for where you need to channel traffic in hotels, airports, warehouses, offices & retail areas
- » Suitable for both indoor & outdoor usage
- » Manufactured with eyelets & internal tubing, this post allows for flexible usage. The inner tube can facilitate chain or similar to be threaded through, allowing the post distance or location to be adjusted whenever required
- » The eyelets are perfect for restricting & allowing access to anywhere that requires people traffic to be altered
