

### Traffic Line Crowd Barrier - HDPE

- >> This innovative crowd barrier is manufactured in virgin high density polyethylene with no screws or rivets used in the assembly
- >> It is completely recyclable & will not rust, is remarkably durable & strong, ensuring a long productive life-cycle
- >> Lighter than traditional metal barriers it is easily handled & deployed on flat or uneven ground
- >> No sharp edges
- >> Easily stacked for storage due to 360° swivel feet
- >> Suitable for crowd control, festivals, events, queue control etc
