

Naděje není to
přesvědčení, že
něco dobře dopad-
ne, ale jistota, že
má něco smysl -
bez ohledu na to,
jak to dopadne.

The most interesting thing about responsibility is that we carry it with us everywhere.

Hope is a state
of mind, not of
the world.

*The salvation of this
human world lies
nowhere else than
in the human heart,
in the human power
to reflect, in human
meekness and
human responsibility.*

*If the world is to
change for the better
it must start with
a change in human
consciousness,
in the very
humanness of
modern man.*

Hope is not the conviction that something will turn out well but the certainty that something makes sense, regardless of how it turns out.

The real test of a man is not how well he plays the role he has invented for himself, but how well he plays the role that destiny assigned to him.

JAN PATOČKA

Hope is a state
of mind, not of the
world. Hope is an
orientation of the
spirit, an orienta-
tion of the heart.

*It transcends
the world that is
immediately ex-
perienced and is
anchored some-
where beyond its
horizons.*

L'épreuve réelle d'un homme ne consiste pas dans la façon dont il réalise ce qu'il a décidé de faire, mais dans la façon dont il réalise le rôle que le destin lui a assigné.

La sauvegarde de
notre monde humain
n'est nulle part
ailleurs que dans
le cœur humain,
la pensée humaine,
la responsabilité
humaine.

De tragiek van de
moderne mens is
niet dat hij steeds
minder weet over de
betekenis van zijn
eigen leven, maar
dat die hem steeds
minder interesseert.

Hoop is niet hetzelfde
als optimisme. Het is
niet de overtuiging
dat iets goed afloopt,
maar de zekerheid
dat iets zin heeft -
ongeacht hoe het
afloopt.
