

## Now Hiring: Market Assistant / Cashier (Seasonal)

### Join the Milk Lady Markets Team!

Are you a morning person who loves local food, farms, and community vibes? We're looking for two enthusiastic, reliable folks to join us as **Market Assistants** for this season!

This is a great role for someone who enjoys variety, being outdoors, and connecting with people—and who's ready to **hit the ground running from 6:30 AM to 3:30 PM** on market days.

We're also happy to welcome **high school juniors and seniors** with a strong academic background or experience in team sports—this is a great opportunity to build job skills in a supportive and fun environment!

 **Market Days:** Wednesdays through Sundays

 **Season:** April through November

 **Perks:** Competitive pay + grocery goodies!

As a Market Assistant, you'll help bring the market to life each week by:

- Supporting our awesome vendors and keeping things running smoothly
- Helping customers—answering questions, cashiering (including SNAP), and bagging purchases
- Packing CSA (farm share) boxes for pickup
- Offering product samples and engaging with shoppers
- Capturing photos to showcase the magic of market days
- Setting up and breaking down our booth (tables, tents, displays, and produce)

This is a **seasonal position** with the potential for a **full-time role in the future** for the right candidate.

**Sound like your kind of day?** Send your resume to [Hello@MilkLadyMarkets.org](mailto:Hello@MilkLadyMarkets.org) — we'd love to hear from you!
