FIRST FRUIT **MONDAY**

Dedicating the first day of the work week to the Lord

“But you shall [earnestly] remember the Lord your God, for it is He Who gives you power to get wealth, that He may establish His covenant which He swore to your fathers, as it is this day.”

DEUTERONOMY 8:18 (AMPC)

A Word for This Season

For the past month or so, the Lord has been arresting me particularly on Mondays to spend time with Him outside my regular prayer and devotional time. During these times, I have been receiving specific instructions as it relates to preparing to receive wealth and how to steward Kingdom resources.

I believe we are living in an **Exodus 3:21–22** and **Proverbs 13:22** moment, where the wealth of our oppressors and the wicked are coming into the hands of God's children for Kingdom purposes and to provide Kingdom resources for the lean years ahead.

This is our time and season to **Birth** and **Build** what God has purposed, anointed, appointed, called, assigned, and delegated to His people to steward and rule on the earth.

This is our hour to walk and live in the fullness of our Kingdom dominion and authority as heirs of God.

**This is our hour of
Restoration, Manifestation, and Acceleration!**

God is awakening and stirring the giftings, the dreams, the assignments, the callings, the projects, the ideas, the visions, the destinies, the purposes, and the plans He has given His children to fulfill His Kingdom mandate — produce-create, multiply, replenish, and subdue (**Genesis 1:28**).

The principle of **First Fruit Monday** is dedicating to God the first day of our work week as an offering and an act of faith, trust, and thanksgiving.

It's so easy to get caught up in the work grind and forget that it is God who gives the increase and empowers us to get wealth and to prosper.

First Fruit Monday is acknowledging and prioritizing the Lord as the Founder & CEO of our 9–5, business, and/or ministry that He has placed in our stewardship for His glory.

So, What Does This Look Like?

I believe there's power in agreement, connection, and alignment. When we come together for a united purpose (Kingdom purpose) and commit our plans and work to the Lord, He will cause it to be established, to succeed, and to prosper.

With the amount of wealth that the Lord has ordained to be transferred to the righteous, we need to be grounded and have a system in place by which heaven's economy can freely flow to and through the hands of those who are justified and vindicated by God!

The Strategy

- ◆ **No work on Monday**
Give the Lord the first day of your work or business week as a First Fruit offering — an act of faith, trust, and thanksgiving.
- ◆ **Fast on Monday**
Liquid or complete.
- ◆ **Pray in the Spirit for 1 hour**
Only pray as Holy Spirit leads — only say what He says.
- ◆ **Sit quietly in God's presence**
Waiting for instructions.
- ◆ **Read and meditate on the Word of God**
- ◆ **Take communion**
- ◆ **Be still**
- ◆ **Unplug**
Stay off social media, no TV, limit phone time or stay off altogether if possible.

The Fruit of First Fruit Monday

Since I have implemented **First Fruit Monday** into my schedule, I have received divine downloads from Holy Spirit, I launched a book and business, I experienced increase in productivity — accomplishing more in less time, I have become more clear on goals and the vision for my ministry and business, I am more focused and less distracted, my faith has been renewed and strengthened, and I am more determined than ever to build and complete the work God has given me to do.

Join me, and let's see what the Lord does when we dedicate to Him the First Fruit of our work, business, and/or ministry!

~ Selah
