One Brick. Endless Ripples!

The Gilletts Lake Community Club is proud to launch our Making Waves Brick Campaign, raising funds to protect our lake, strengthen our community, and preserve this special place for generations to come. By purchasing a personalized engraved paver, you'll become a permanent part of the Gilletts Lake Community Club's legacy. Each brick will be installed along a commemorative walkway at the clubhouse, serving as a lasting tribute to the generosity, memories, and community spirit of our members, families, and friends. Every paver purchased helps us continue our mission of protecting Gilletts Lake while creating a welcoming place where neighbors gather, friendships grow, and traditions are made.
