PROPHETIC WORD

May 2026

by Prophetess Monica Ollivierre

On April 30, 2026 at 4:27am, as I was seeking God about what He has in store for Hope Aglow in the month of May, I saw a door. Afterwards, God dropped into my spirit “Door of opportunity and great productivity”. God continued with the following:

“Door of opportunity, great productivity, and great acceleration. Things will begin to move forward in the month of May. That which was stagnant and not moving will begin to move forward. That which was stuck will become unstuck in the month of May. That which you have been waiting on and praying for will come to pass in the month of May.

Great forward mobility will happen in May. Things will begin to blossom and flourish in May. Much like how outside this time of the year things begin to bloom, you will see new growth and new development take place this month.

Fertilize it with your faith Hope Aglow. Keep believing Me for breakthrough this month. An explosion of breakthrough can occur this month if you will believe Me for it.

You are almost halfway through the year. Momentum is building this month so that you can finish strong by the end of December.

Take advantage of every opportunity that I bring to you in this month. Walk through the doors of opportunity. I will be with you. You will not be alone as you walk through the doors of opportunity. They are hidden doors that you will walk through.

I will show you the door Hope Aglow and help you to walk through it with boldness and courage. This month Hope Aglow will thrust you forward. It will push you forward into the greater things that I have for you.

Watch and pray. Listen to My voice and launch out into the deep. I have blessings for you Hope Aglow this month. Blessings that will truly benefit your lives.

Don't get distracted this month. There will be a lot going on but keep your eyes on Me. Keep your eyes focused on Me and My Word. I will navigate you to your promised land. There is a land flowing with milk and honey for you. It is especially prepared for you and your generations.

Seek Me and I will show it to you. I am with you Hope Aglow. I will help you every step of the way. This month stay with Me and do not get off course. I'm bringing you to the expected end that I have for you this year.

Maneuver in this month as I lead you so that the end of this year will be a blessed one. I am with you Hope Aglow. I see you. I see everything you are doing, and I have blessings through the doors of opportunity for you. Don't hesitate. Go through the doors to get to the other side. Once you get there, do not forget Me because you will need Me to maneuver through the blessing.

I am with you and will help you every step of the way. The month of May will be filled with doors of opportunity. Can I trust you to go through them so that I can use you mightily? I have everything you need to flourish. Just trust Me to go through the doors of opportunity Hope Aglow and I will help you take the land.”
