

## TO WHOM IT MAY CONCERN

With this letter FIDE officially confirms that the company DGT has been a long-standing and reliable partner of the International Chess Federation (FIDE) since 1994.

FIDE currently officially recognizes and approves the following DGT chess clock models with the respective status:

- DGT3000 – FIDE Championship Clock
- DGT2010 – Official FIDE Chess Clock
- DGT2500 – Official FIDE Chess Clock
- DGT XL – FIDE Approved

The clock models specified above are in full accordance with the FIDE rules and regulations for chess clocks and the Laws of Chess and are officially endorsed and recommended for use in FIDE competitions and events worldwide.

FIDE highly values its cooperation with DGT and acknowledges its contribution to the development of chess globally.
