

How can I use Spaces?

After you have logged into your N26 account:

1. For iOS:
 - a. Click on the Spaces button.
2. For Android:
 - a. Swipe to the Spaces page in the upper product tab.
3. For the WebApp:
 - a. Click/tap on the Spaces logo the upper part of the screen near the Home button.
4. Click/tap on **Create a new space**.
5. If you know what your savings goals are, click/tap on **Saving for a goal**, otherwise click/tap on **Create now, decide later**.
6. Select a name (15 characters max) and a background picture.
7. Read and accept the Spaces Terms and Conditions.
8. If you selected **Saving for a goal**:
 - a. Choose a **Goal amount** and a **Target date** (optional), then **Continue**.
 - b. Your Space has now been created!
9. If you selected **Create now, decide later**:
 - a. Your Space has now been created!
 - b. You can transfer funds into your Space now by tapping/clicking **Add now** or transfer at a later time.
