Request

I hereby request, in accordance with § 850 k Abs. 1 ZPO, that the above mentioned N26 account, which is exclusively managed in my name, be converted to a seizure protection account (Pfändungsschutzkonto).

I do not already own a seizure protection account (Pfändungsschutzkonto) with N26 Bank or with any other bank or any payment service provider.

Please note:

Activating a P-Account will have several implications for your existing accounts and future banking possibilities. Here's what you need to know:

1. Existing Spaces: All Spaces (including 'Cards for Kids') will be removed, and their funds will be transferred to your main account. You won't be able to create new Spaces.
2. Savings Account and Freelance Accounts: funds will be transferred to your main account automatically.
3. Joint Account: If you have a Joint Account, it will be closed (60 days notice) upon P-Account conversion. You won't be able to open a new Joint Account.
4. Overdrawn Accounts: Upon P-Account activation - if your account is overdrawn, the amount will be sent to a debt collection company. It might lead to additional costs. It's recommended to top up your account before requesting a P-Account.
5. Reporting: P-Account conversion will be reported to Schufa AG.
