

The High Burden of Respiratory Syncytial Virus and Influenza Beyond the Acute Infection in Adults

SUNDAY, 17 SEPTEMBER 2023 | 13:15–14:45 CEST

REGISTRATION AND MEAL: 12:45 CET | PRESENTATION: 13:15 CET

VALENCIA CONFERENCE CENTRE, AV. DE LES CORTS VALENCIANES, 60
VALENCIA, SPAIN | PLENARY AUDITORIUM 1

HYBRID 

MODERATOR

Peter Openshaw, MD, PhD
Professor of Experimental Medicine
Imperial College London
London, United Kingdom

Krzysztof Narkiewicz, MD, PhD
Professor and Head
Department of Hypertension
and Diabetology
Medical University of Gdańsk
Gdańsk, Poland

PANELISTS

Marco Goeijenbier, MD, PhD
Intensivist
Department of Intensive Care
Spaarne Gasthuis
Haarlem Zuid, the Netherlands
Department of Intensive Care
Erasmus MC
Rotterdam, the Netherlands

David B. Price, MD
Head of Observational and
Pragmatic Research Institute
Singapore, Singapore
Primary Care Respiratory Society Professor
Primary Care Respiratory Medicine
University of Aberdeen
Aberdeen, United Kingdom

AGENDA

13:15

Introduction

Peter Openshaw, MD, PhD

13:30

It Could Be You: The Unheard Voices of RSV and Influenza From a Specialist Perspective

Panel discussion

13:40

Case Series to Identify Who Is at Risk of Chronic Complications and Why We Should Think Beyond Just the Acute Infection

Panel discussion

14:10

Unmet Needs in the Management of Respiratory Viral Diseases and Emerging Vaccine Strategies

Panel discussion

14:30

Closing Remarks and Q&A

Peter Openshaw, MD, PhD

14:44

End

Refreshments offered by Medscape

TARGET AUDIENCE

This activity is intended for an international audience of non-US primary care physicians, pulmonologists, cardiologists, endocrinologists, and infectious disease specialists.

LEARNING OBJECTIVES

Upon completion of this activity, participants will:

Have increased knowledge regarding the

- Burden of respiratory syncytial virus (RSV) and influenza infections across the spectrum of disease in adults
- Long-term sequelae of RSV and influenza in adults
- Unmet needs in the management (including diagnosis) of RSV in adults
- Latest advances in RSV and influenza vaccine development

Demonstrate greater confidence in their ability to

- Identify who is at risk of chronic complications of RSV and influenza

ACCREDITATION STATEMENT

The Faculty of Pharmaceutical Medicine of the Royal Colleges of Physicians of the United Kingdom (FPM) has reviewed and approved the content of this educational activity and allocated it 1.5 continuing professional development credits (CPD).
