

Transfer agreement installation of fiber

Transfer of installation agreements can only take place before the fiber connection is put into operation. Both resigning and taking office must sign. In connection with the transfer, the newcomer approves any credit check and to take over unpaid invoices. The newcomer receives an automatic confirmation when the agreement is registered.

Former customer

First and last name

Social security number (yyyy-mm-dd-xxxx)

E-mail (text clearly, all information is sent by e-mail)

The transfer applies to fiber installation at the address

Installation address

Property designation
