

## Lobby firms in Brussels or nearby

EUobserver's list of lobby companies based in Brussels or nearby was put together by trawling industry registries and speaking to contacts in the sector.

The financial figures are annual turnover or EBITDA (earnings before interest, tax, depreciation and amortisation) based on the companies' latest filings at the National Bank of Belgium or other national authorities, unless otherwise indicated in brackets. They have been rounded to the nearest €0.1 million.

The list is not exhaustive or authoritative. Companies are invited to send new information or corrections to [ar@euobserver.com](mailto:ar@euobserver.com).
