

Overview for trade visitors

How to enjoy the special edition of EUROBIKE 2020 safely

FULL REGISTRATION

All trade visitors must register online for the event in advance. This ensures traceability in the event of a coronavirus infection. For that reason **only** online tickets will be issued for the special edition of EUROBIKE 2020. It will not be possible to buy admission tickets on arrival.

1

TICKETING

With tickets being booked online in advance for a specific day, we can always maintain an overview of visitor numbers and ensure that the maximum permissible number of visitors per day is not exceeded and that minimum social distancing of 1.5 metres can always be observed.

2

PARKING

Parking in the visitor car parks will also be free of charge for the special edition of EUROBIKE 2020.

3

PUBLIC TRANSPORT

As usual, the free Messe Express (MX line) will operate between the Hafen- und Stadtbahnhof (railway station) and the exhibition centre. Masks must be worn on public transport.

4

PLEASE BRING YOUR OWN MOUTH-AND-NOSE COVER.

Masks must be worn in the exhibition halls.

However, the following exceptions apply:

- trade fair stands where minimum social distancing of 1.5 metres between individuals can be observed.
- when availing of restaurant/catering services
- seating with guaranteed minimum spacing of 1.5 metres
 - where alternative protection for others of at least an equal standard is assured
- mask intolerance, confirmed by a doctor's certificate
- employees, provided that no visitors are in their vicinity

5

The provisions that currently apply are set out in Point 1 of the Messe Friedrichshafen's Protection and Hygiene Concept.

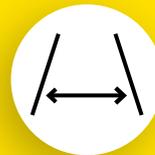

6

HYGIENE

You will find an adequate number of hand sanitiser dispensers throughout the exhibition centre, most notably at the entrances, hall intersections and the WC areas.

There will be shorter disinfection and cleaning intervals with regard to frequently touched surfaces such as doorknobs, handles, and surfaces in sanitary areas. You are furthermore requested to dispense with the customary greeting rituals, and to observe sneezing and coughing etiquette.

7

INCREASED SPACE

We have increased hallway, traffic and activity spaces. By doing this we are giving visitors and exhibitors greater freedom of movement while guaranteeing the required social distancing.

8

MINIMUM SOCIAL DISTANCING

All visitors are requested to observe minimum social distancing of 1.5 metres.

9

VENTILATION

Entrance areas, exhibition halls, conference rooms and dining areas will be permanently supplied with fresh air (outdoor air quality).

10

CURRENT SITUATION

The coronavirus situation remains highly dynamic. Further adjustments may be made, depending on developments. We would therefore ask you to check the EUROBIKE homepage for any updates just before your visit.
