UEFA Coaching Convention: Goalkeeper B diploma

Dear Mr. Weidner,

We acknowledged the positive evaluation of Football Federation of Kosovo's inaugural UEFA Goalkeeper B diploma course. Following this, the UEFA Jira Panel and Development and Technical Assistance Committee have reviewed and approved this positive report. Consequently, FFK has now been granted new membership in the UEFA Coaching Convention at this additional diploma level.

FFK is now entitled to issue UEFA Goalkeeper B diplomas and licences to successful candidates. However, before doing so, please send us an example of the templates for approval (by email to football.development@uefa.ch).

Well done on this additional achievement in coach education and we wish you every success for your future courses.

Yours sincerely,

U E F A
