

Instructions on How to Complete the Full Registration

1. Log in to your Bit Trade account on the official website of the Bit Trade Exchange of Digital Assets <https://www.bit.trade/en/home>.
2. Select “My Profile” in the drop-down list in the upper right corner of the main menu and go to the “Personal Details” page.
3. In the “Supporting Documents” block, select a type of the supporting document from the drop-down list.
4. Click on the “Upload File” button and select a file that meets file upload requirements (supported formats: jpg, jpeg, png; maximum file size is 3 Mb).
5. Upload an electronic copy of a document **verifying your identity** (high-quality and color scanned copies or photocopies of a valid national or international passport containing your photo and details of the issuing authority) and an electronic copy of a document **verifying your place of permanent residence** (scanned copies or photocopies of a utility bill or a phone bill not older than 3 months, or any other documents verifying your name, surname and your full residential address).
