2. Purposes of Using Cookies	2
3. Cookies	2
4. Setting Parameters of Cookies.....	3
5. Compulsory Conditions	4

1. TERMS AND DEFINITIONS

1.1. Terms used in this Policy are interpreted in accordance with the following definitions:

1.1.1. Cookies mean a data fragment sent to a browser from a website you visited. They are intended to store general information about your preferences and help to adjust certain settings of a website to your day-to-day user needs.

1.1.2. Personal Data means any information directly or indirectly related to the Subject to personal data. In accordance with GDPR, Personal Data of the Subject shall be:

- name and surname;
- date and place of birth;
- residential address;
- mobile phone number;

- information about family and social status;
- information about education, professional competence and job title;
- information about income and property status;
- biometric data;
- cookies (along with other Personal Data), etc.

1.1.3. Subject to Personal Data means a natural whose Personal Data is to be processed.

2. PURPOSES OF USING COOKIES

2.1. Cookies are collected in order to:

- optimize the operation of Bit Trade;
- save settings and session data of the visit for further use of Bit Trade;
- analyze the use of Bit Trade by you;
- select preferred offers/news;
- provide updates, special offers, information, newsletters and other data;
- monitor your behavior in the framework of Bit Trade.

2.2. All collected Cookies are used for specific above-mentioned purposes and only to the extent necessary for the complete functioning of Bit Trade.

2.3. Information gathered from Cookies is used to evaluate the effectiveness of Bit Trade, analyze tendencies, identify issues that can arise when you access Bit Trade and supervise the platform. The Company needs this information to improve the quality of Bit Trade services.

2.4. Cookies are usually stored on the hard drive of your device you access Bit Trade from and help the Company to identify the correct device among others. The Company can also use the providers, who will place Cookies on the hard drive of your device, and obtain information providing data on what Bit Trade pages you visit.

3. COOKIES

3.1. Bit Trade cookies register the following types of data:

Category 1: Analytical Cookies

Cookies from category 1 collect information about the use of Bit Trade by you, i.e. which pages you browse most of all, and whether you receive error messages on Bit Trade pages. These Cookies do not collect data that directly identifies you. All information collected by these Cookies is grouped, which results in its anonymity. Such information is used only for improving the functioning of the

Bit Trade. Cookies from category 1 collect information about the use of the Bit Trade in your interests and in the interests of Bit Trade. By using the Bit Trade, you confirm that placing such Cookies on your device is possible.

Category 2: Functional Cookies

Cookies from category 2 allow Bit Trade to memorize the answers you select (i.e. your name, language or region where you are located) and to provide additional opportunities in accordance with your individual preferences and needs. These Cookies can be used to memorize the changes made by the Customer and/or the Internet User that had to do with text size, fonts used and other changeable parameters of Bit Trade. The information collected by these Cookies can be anonymous, and these Cookies cannot track your activity on other websites.

By using Bit Trade to set personal settings, you confirm that the Bit Trade can place such Cookies on your device to memorize preferences.

Category 3: Advertising Cookies

Cookies from category 3 are used to display advertisements, which correspond to your interests and needs the most based on the analysis of your online movements. They are also used to limit the number of ads shown and to help the Company evaluate the effectiveness of its advertising campaign.

4. SETTING PARAMETERS OF COOKIES

- 4.1.** You can turn off Cookies at any time: at the beginning of using Bit Trade or after giving the initial consent to save Cookies.
