

## What can I get online after the event and how?

In your participation at this event, 12 months of World Class Unlimited are automatically included.

Access more than 1,000 best practice presentations, 10,000 business leader contacts as well as business news from more than 10,000 sources from all over the world.

We will inform you about all your benefits (uploaded new videos, new discussions, new live streams of other conferences, and more) by email.

The event experience continues beyond the two days onsite. Make sure you don't miss out on staying on top of the world's best practices.
