

**Improve Performance
Simplify Maintenance
Stay Connected**

Features and Benefits

Performance

- Vehicle Range Monitor calculates distance with fuel on board, provides constant and accurate fuel readings, and instant fuel economy feedback
- Eco Mode enhances fuel economy and extends vehicle range
- Low Fuel Derate permits safe exit from traffic at extremely low fuel levels
- Engine-Linked Startup Logic protects fuel system and engine and guards against downtime in cold conditions
- Over Temperature Warning alerts driver of potentially unsafe operating conditions

Telematics

- Connected Diagnostics™ transmits key telematics, like engine and GPS data, wirelessly to Cummins for analysis and service recommendations
- Can be integrated with most major telematics providers, including PeopleNet, and Omnitracs
- Customizable push reporting available through GeoTab

Highlights

- Blue iQ Smart Gauge removes range anxiety by providing distance to empty and time remaining data for peace of mind
- Proprietary link between the Cummins engine and Blue iQ ensures the vehicle is making the most of the fuel on board
- Technicians working on Blue iQ equipped vehicles benefit from fuel system diagnostic fault information that can be accessed through Cummins INSITE

Diagnostics

- Cummins INSITE™ service tool provides quick and easy access to combined engine and fuel system performance and diagnostic data
- This integration of Agility technical data ensures expedited and accurate repairs are performed, improving vehicle uptime

Most Complete Feature Set Available

Only Blue iQ offers the comprehensive set of tools to run your fleet efficiently, diagnose and fix problems quickly and access your data utilizing Blue iQ's direct integration between Hexagon Agility's CNG fuel systems and Cummins-Westport engines.

	Feature	Agility Exclusive	Agility Blue iQ™	Competition
PERFORMANCE	Temperature-compensated fuel level		✓	Some
	Distance to empty and hours remaining		✓	Some
	Common data interface with CWI engine		✓	Some
	Low fuel derate	✓	✓	
	Eco Mode	✓	✓	
	Engine interactive diagnostics		✓	
DIAGNOSTICS	Fault viewer (add-on application to Cummins INSITE™)	w/INSITE™	✓	Some
	Fault snapshot data (includes conditions at time of fault)	w/INSITE™	✓	
	Trip data monitor and logger	w/INSITE™	✓	
	Calibration selection	w/INSITE™	✓	
	Features and parameters	w/INSITE™	✓	
	Work orders, ECM images, and templates	w/INSITE™	✓	
	ECM diagnostic test	w/INSITE™	✓	
	Audit trail – log of information to identify changes made to the ECM	w/INSITE™		
	Inquire data extraction	w/INSITE™		
	Expert diagnostics system	✓		
	Advanced ECM data	w/INSITE™		Some
TELEMATICS	Integration with most major telematics providers		✓	Some
	Integrated engine and fuel delivery system web portal	✓	✓	
	Connected diagnostics	✓	✓	Some
