

CNG medium duty walk-in van MT-45/MT-55

In partnership with

Fully integrated
OEM solution

Features and benefits

Long Range

Up to 220 mile range with standard fuel system configuration. Extended range options available

Low total cost of ownership

The most competitively priced CNG/RNG Walk-In Van on the market today. Low and stable RNG/CNG fuel prices enable long term reduced fuel expenditures. Simplified maintenance cycles

Sustainability

Natural Gas Vehicles are 90% cleaner than comparable gas and diesel vehicles. When fueling with NG, GHG emissions can be reduced up to 382%

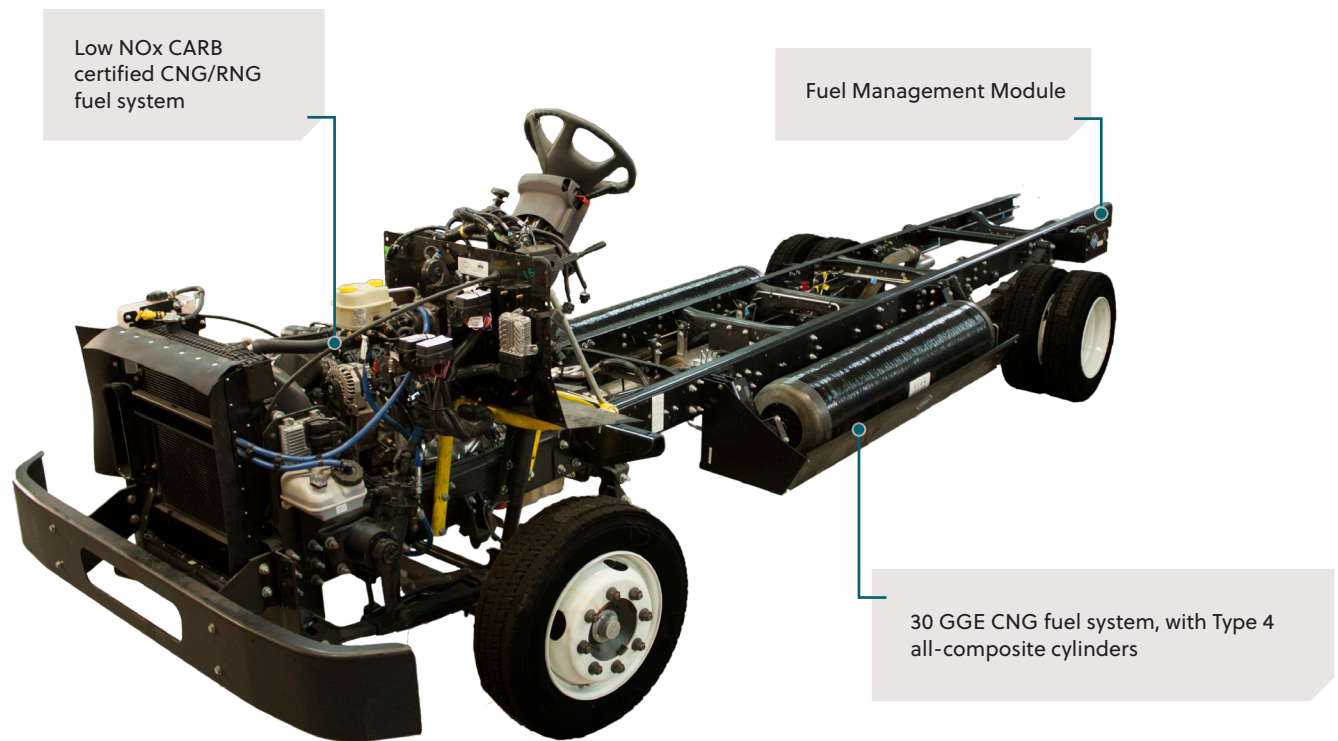

Reduced emissions

CARB certified low NOx 0.01 g/bhp-hr. Eligible for low NOx local and Federal incentives

Service support

With a nationwide network of service locations and dedicated professionals ready to provide parts and service, our clients know that we provide service when and where you need it
