

ProCab® CNG Fuel Systems 60/75

Lightweight
Long range
Durable & safe

Features and benefits

Durable

Proven in the field on vehicles with over one million miles

Safe

Our products go through the most rigorous testing in the industry including durability tests, crash tests, and bonfire tests

Supplemental Range

Can be combined with ProRail® CNG fuel systems for a maximum of 295DGE

Fast Fill

Fills up to 13% faster than competing CNG fuel systems

Long Range

Up to 75 diesel gallon equivalent (DGE) using four-cylinder system for over 300 miles of driving range

Compact

Mounted closer to the cab for improved aerodynamics and more available frame rail space

Lightweight

Lightweight all-composite Type 4 cylinders combined with aluminum construction minimizes system weight allowing you to maximize payload

Performance

Integrated Fuel Management Module (FMM) with standard Blue iQ® Smart Gauge and extended range Marathon™ Regulator

Specifications

		ProCab 60	ProCab 75
Number of Cylinders	each	4	5
Capacity	DGE	60	75
Water Volume	L	800	1,000
Height	in	70	87
Width	in	95	95
Depth	in	21	21
Required Space Behind Cab	in	25	25
Empty Weight	lb	1,109	1,308
Full Weight Including Fuel	lb	1,497	1,793
Service Pressure	psi	3,600	3,600
