

**Lightweight
Long Range
Durable & Safe**

Features and benefits

Durable

Proven in the field on vehicles with over one million miles

Safe

Our products go through the most rigorous testing in the industry including durability tests, crash tests, and bonfire tests

Supplemental Range

Can be combined with ProRail® CNG fuel systems for a maximum of 295DGE

Innovation

Add TruckWings™ for faster payback with 4-6% fuel economy improvement

Fast Fill

Fills up to 13% faster than competing CNG fuel systems

Long Range

Up to 175 diesel gallon equivalent (DGE) using four-cylinder system for over 700 miles of driving range

Compact

Mounted closer to the cab for improved aerodynamics and more available frame rail space

Lightweight

Lightweight all-composite Type 4 cylinders combined with aluminum construction minimizes system weight allowing you to maximize payload

Performance

Integrated Fuel Management Module (FMM) with standard Blue iQ® Smart Gauge and extended range Marathon™ Regulator
