

STAINLESS STEEL SPRING CABLE TIES COATED

+ INFORMATION

- + Cable ties made from stainless steel AISI 316, coated with black or red polyester.
- + Spring form maintains a greater tension on solid objects.
- + The outer layer of polyester and gently rounded edges protect the cable from damage.
- + Excellent resistance to acids, salt, chemicals, and high temperatures.

+ PROPERTIES

Temperature range
-80°C to +150°C

Material
316 Stainless steel, with pure polyester coating
Non toxic, recyclable. Halogen free.
