

RoHS and REACH Declaration of Conformity

DECLARANT AND MANUFACTURER: Viessmann Climate Solutions SE

PRODUCT: VIESSMANN Battery HV2-96/zzz-V2 (zzz=96~480, in step of 96)

COMPLIANCE WITH REGULATIONS: The products mentioned above comply with the requirements of (EC) No 1907/2006 (REACH) and 2011/65/EU (ROHS).

DISCLAIMER: Viessmann Climate Solutions SE has taken and continues to take commercially reasonable steps to provide representative and accurate information concerning the application of harmful restricted substances on Viessmann Climate Solutions SE products. This statement is issued in accordance with regulatory requirements, information provided by the supplier, testing reports from authoritative organizations, and design features of the product. Viessmann Climate Solutions SE relies on information from third parties, including suppliers and may not have conducted destructive testing or chemical analysis on incoming materials and chemicals. Because use conditions and applicable laws may differ from one location to another and may change with time, Recipient is responsible for determining whether the information in this document is appropriate for Recipient's use. Since Viessmann Climate Solutions SE has no control over how this information may be ultimately used, all liability is expressly disclaimed and Viessmann Climate Solutions SE assumes no obligation or liability therefore. No warranty, express or implied, is given nor is freedom from any patent owned by Viessmann Climate Solutions SE or others to be inferred.
