We hope that you are all keeping well and safe, and are looking forward to visiting Mauritius soon.

Mauritius is opening on the 15th of July 2021 in two phases. From this date till the end of September 2021, vaccinated passengers can enjoy a full resort stay while unvaccinated guests will have to go through the compulsory quarantine of 14 days. On the other hand, as from 01st of October 2021 onwards, vaccinated passengers with a negative PCR test can venture out and enjoy Mauritius.
