## Press release:

For the 42nd time, the *Förderpreisausstellung der Freunde der Kunstakademie Münster* takes place in which works of students from a total of 13 classes at the Academy of Fine Arts Münster will be exhibited: [Anna Charlotte Frevel](#), [Woorim Ha](#), [Henrik Jansen](#), [Yuna Jeong](#), [Mari Kim](#), [Julius Kotzke](#), [Alex Liedtke](#), [Jakob Mönch](#), [Hannah Moraw](#), [Anton Schmutzler](#), [Nicole Widner](#), [Jihyeok Yang](#), [Frieda Zander](#).

The award exhibition is an exhibition format that does not follow any thematic guidelines. Rather, it can be seen as a platform that offers students of the Kunstakademie Münster the opportunity to present their work to a broad public on the premises of the Kunsthalle. In keeping with the different focal points of the classes, the exhibition features works in the genres of painting, drawing, sculpture, installation, film and performance.

From these artistic positions, the jury—consisting of Gerrit Frohne-Brinkmann (artist, Hamburg), Victoria Tarak (director, Kunstverein Bielefeld) and Eva Wilson (curator, Skulptur Projekte Münster)—will select a total of three prize winners at the start of the exhibition.
